1. Executive Summary

Nexora Cloud Solutions Inc. is pleased to submit this proposal in response to Meridian Retail Group's request for a partner to migrate its on-premise retail and inventory systems to a secure, scalable cloud environment. With over 11 years of experience delivering cloud migrations for mid-to-large retail and logistics organizations, Nexora proposes a phased migration approach that minimizes downtime, maintains PCI-DSS compliance throughout the transition, and includes 24/7 managed support post-launch. Our proposed solution is designed to be delivered within a 14-week timeline and comes with a 99.9% uptime service-level agreement.
